

Our ultimate sewing and embroidery machine

Dual King Spool Thread Stand

Open the top cover to easily attach the included magnetic stand. This space saving innovative stand helps ensure proper thread delivery, and also helps prevent broken and distorted stitches and uneven tension.

Bobbin Winding with 5 Different Levels

Convenient way to set the bobbin to fill up to one of the 5 settings.

Camera Detecting Buttonhole Feature

Detect the button to create the correct size buttonhole up to 47mm. Use the stabilizing plate with stretchy or thin fabrics for beautiful buttonhole results.

One Action Needle Plate

Allows for quick needle plate changes without the use of a screwdriver. No need to remove your extension table, embroidery unit or accessory tray.

Project your creativity

The built-in projector allows you to see your design as it will be stitched, before even one stitch has been sewn. Intuitive placement equals professional results.

Projected adjustable grid and guidelines

The projected grid and guidelines help you ensure your stitches are placed exactly where you want them to be. The perfect guide for seams, zippers and decorative stitches. Also ideal for perfectly parallel pin tucks.
